

THE ROSWELL DAILY RECORD.

VOLUME 1.

ROSWELL, NEW MEXICO WEDNESDAY EVENING, SEPTEMBER 2, 1903

NUMBER 144

Roswell Would Do Well To Have An Exhibit At The Albuquerque Fair.

ANNUAL REPORT

of Ladies' Aid Society of First Presbyterian Church.

The Ladies' Aid society of the First Presbyterian church held its annual meeting on Tuesday at the home of Mrs. A. J. Nisbet, the retiring president. The treasurer reported \$100 in the treasury. By the unanimous vote of those present the secretary's report is published in full.

"Another year has rolled around, and again we meet to render our account. If we, as an aid, have not, during the year, had as many teas, and other money raising inventions as we have had in years past, it does not prove any lack of interest in the work on our part. There seemed nothing definite to work for, we could not decorate the interior of the church, nor build a reception room and kitchen because the church needs to be enlarged in the near future and it seems best to wait for that to be done. Waiting time is always a testing time, and I think our society has stood the test well. When we are needed to work again I am sure there will be no laggards among our members—just as in peace our citizens quietly pursue their home life but at the call of the president are ready to take up arms and defend the country.

I wish instead of having entertainments and teas to raise money, we would put by our tenth for the Lords work. I think those who have never tried this method would be surprised and pleased to find they always had something on hand to give.

As a society, we have, during the past year, been called to mourn the death of two efficient members. Early in the year, on October 24, 1902, our dear Mrs. Cahoon, who had served as president, and who was first vice at the time of her death, and Mrs. Gardiner, who passed away August 7, 1903. These ladies we greatly miss. No words of mine are needed to tell you their lovely Christian characters, for you too knew them. They were willing workers for the best interests of the society and of the church. In taking them from us the Master, whose work is, must have some one in view who shall fill their place. Will you not consider whether it may not be you? Perhaps you are a new comer among us, but have been a church worker in your previous home. We need you, your experience and new views. Will you not help us? Perhaps you have never been a worker for the Master whom you love; do not wait longer, but use your talents for Him.

At present we number thirty-eight members. With our large congregation I think we could easily number fifty or more. Do you not know some friend who would join us, if you invited her to do so? And the Aid would be a means of closer friendship among those who worship with us. The treasurer will report the finances of the society.

Thanking you for courtesy in the years I have served you as your secretary, I now resign the records to my successor for whom I bespeak the same patience you have always shown to me.

Respectfully submitted,

(Miss) M. M. HOLT.

The following officers were elected for the ensuing year:

President, Mrs. C. A. Baker,
First Vice P., Mrs. C. E. Lukens,
Second V. P., Mrs. J. H. Wall,
Rec. Sec'y, Mrs. E. F. Hayslip,

It is safe to predict that in the hands of these ladies the Aid will continue to prosper. After adjournment a social hour was spent, and iced tea and wafers were served.

HON. FRANK HUBBELL HERE.

Roswell Will Probably Send Exhibit to the Albuquerque Fair.

Hon. Frank A. Hubbell of Albuquerque, spent today in Roswell becoming acquainted with our citizens and inspecting some of the farms and ranches near town. As reported in yesterday's RECORD Mr. Hubbell brought in a delegation of ten students to attend the N. M. M. I., two of whom were his own sons.

This is Mr. Hubbell's first visit to Roswell and he expresses himself as surprised at the material growth and progress of the town. He fully believes that Roswell is destined to be one of the big towns of the southwest and that the Pecos Valley has a future of wonderful prosperity before it. Mr. Hubbell is also of the opinion that it is only a question of a few months when the Santa Fe Central will be running its trains into Roswell.

Last night Mr. Hubbell met several of our citizens and urged upon them the advisability of sending an exhibit of our fruits to the Albuquerque fair. It is thought that if suitable traffic arrangements can be made that a splendid fruit exhibit can be sent from Roswell and the Pecos Valley. Mr. Hubbell on his return home will take the matter up with the fair management and will see what can be done. Roswell would be glad indeed to have such an exhibit at the fair and if satisfactory arrangements can be made our citizens assured Mr. Hubbell that they would do their part to send such an exhibit as would do credit to this fruitful valley.
